AHC52021 Diploma of Landscape Construction Management

Release 2

AHC52021 Diploma of Landscape Construction Management

Modification History

| Release | Comments |
|-----------|---|
| Release 2 | This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 9.0. |
| Release 1 | This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 7.0. |

Qualification Description

This qualification describes the skills and knowledge for landscape project management job roles in the landscape industry.

Individuals with this qualification will take personal responsibility and exercise autonomy in undertaking complex work. They must analyse information and exercise judgement to complete a range of advanced skilled activities.

Work must comply with work health and safety and environmental regulations and legislation that apply to the workplace.

State/territory licensing, legislative or certification requirements apply in some jurisdictions. Users are advised to check with the relevant regulatory authority.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 10 units of competency:
 - 4 core units plus
 - 6 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- 4 must be from the electives listed below

- 2 from the remaining elective units, or any currently endorsed Training Package or accredited course.
