Application

This unit describes the skills and knowledge required to identify client needs and provide education in a small group or one to one setting regarding effective parenting behaviour, general health and well-being issues.

This unit applies to individuals working with parents or families in diverse community services or health contexts. Workers at this level will be part of a professional team and under the guidance of a supervisor.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand Standards and industry codes of practice.

Elements and Performance Criteria

ELEMENT

PERFORMANCE CRITERIA

Elements define the essential outcomes

Performance criteria describe the performance needed to demonstrate achievement of the element.
