Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- produce drawings to communicate at least three different ideas.

In the course of the above, the candidate must:

- identify and analyse drawing requirements
- explore techniques, materials and equipment according to required safety procedures
- determine intellectual property requirements
- produce drawings that:
  - show a command of selected techniques
  - successfully communicate the required ideas.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- properties and capabilities of the range of materials, tools and equipment used in drawing digitally and by hand
- sources of information about different approaches to drawing
- work health and safety requirements associated with tools and materials used for drawing
- intellectual property and copyright requirements and other legislation related to own drawing work.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- equipment, tools and materials required to produce drawings
- information sources.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
