Application

This unit of competency describes the skills and knowledge required to prepare horses for race meetings and trials, and perform post-race meeting duties.

The unit applies to individuals who perform routine tasks under supervision within the harness or thoroughbred racing industry.

Competencies attained in this unit apply to the harness and thoroughbred codes of the industry. Consequently, when performance criteria are applied they will relate to the harness or thoroughbred code, and statements of attainment will reflect this distinction.

All work must be carried out to comply with workplace procedures, in accordance with applicable state/territory animal welfare and workplace health and safety legislative requirements.

Licensing, legislative, regulatory or certification requirements apply to this unit. Users are advised to check with the relevant Principal Racing Authority (PRA) for current requirements.

Pre-requisite Unit

The prerequisite unit of competency for this unit is:

- RGRPSH201 Handle racehorses in stables and at trackwork.
