Assessment Requirements for RGRPSH416 Perform trial and race jumping riding skills

Release: 1

Assessment Requirements for RGRPSH416 Perform trial and race jumping riding skills

Modification History

Release	Comments
Release 1	This version released with RGR Racing and Breeding Training Package Version 2.0.

Performance Evidence

An individual demonstrating competency in this unit must satisfy all of the elements and performance criteria of this unit. There must be evidence that the individual has demonstrated jumping riding skills for trials and race day with thoroughbred horses, on at least three occasions, including for each:

- reviewed jump racing rules and procedures according to workplace health and safety and animal welfare requirements
- checked racing industry-approved items of gear and equipment
- identified track conditions, features and surface
- judged and maintained pace of horse over jumps for required times and distances according to trainer instructions
- followed relevant rules of racing for jumping racing.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- principles and practices of:
 - location of tracks for jumps races
 - pace of horses
 - track conditions, features, shape and situations
 - types of jumps
 - types of equipment and gear for jumps trials and racing
 - types and purpose of personal protective equipment
- relevant protocols and rules of racing related to jumping races:
 - Australian and local rules of racing and regulations relating to jumps race riding
 - industry terminology related to handling and racing horses
 - rules of racing for jumps trials and racing
- racing industry standards and expectations relevant to jumping trials and racing:

- communication procedures within stable and wider racing industry
- animal welfare requirements
- workplace health and safety requirements, including safe operating procedures.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - racing training establishments, racetracks and registered race meetings
- resources, equipment and materials:
 - various thoroughbred horses trained for jumping racing assessed as suitable for the skill and experience of the individual
 - appropriate racing industry-approved gear and equipment for individual, horse and activity
- specifications:
 - trainer and racing official instructions and rules of racing.

Training and assessment strategies must show evidence of the use of guidance provided in the *Companion Volume: User Guide: Safety in Equine Training*.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
