SIRXRSK003 Manage risk in the retail environment

Release: 1

SIRXRSK003 Manage risk in the retail environment

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to manage risks across a retail organisation, department or function. This includes establishing the risk context, assessing and treating risks.

This unit applies to senior personnel working in a diverse range of sectors and business contexts. They operate independently and are responsible for making a range of operational business decisions and risk management.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Competency Field

Risk Management and Security

Unit Sector

Cross-Sector
