Assessment Requirements for AHCBUS610 Manage agribusiness risk

Release: 1

Assessment Requirements for AHCBUS610 Manage agribusiness risk

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture, Conservation and Land Management Training Package Version 4.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit. There must be evidence that the individual has managed significant risks for a land-based enterprise, including:

- determined the scope for risk management
- identified six potential risks, including:
 - three associated with financial, production and system, and
 - three associated with the environmental, political, social context
- planned and implemented strategies to minimise the impact of the six identified risks.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- the wide range of risks faced by a land-based production business
- threats presented by climate change
- legislation, codes of practice and national standards, including:
 - duty of care
 - operation as a business entity
 - environmental protection
 - freedom of information
 - industrial relations
 - privacy and confidentiality
 - equal employment opportunity
- organisational policies and procedures, including:
 - risk management strategy
 - policies and procedures for risk management
- overall operations of land-based business

- risk insurance and insurance providers.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - access to a land-based production business.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
