Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- develop a list of resources required to carry out a project or function
- identify resources that may be able to be donated, purchased or borrowed from community
- apply for access to resources from community with details of proposed use and justification
- negotiate use of resources in a way that maintains community support
- document the use of resources as part of project management and to allow acknowledgement of community contribution.

Knowledge Evidence

The candidate must demonstrate knowledge of:

- project resource requirements
- task analysis, including hazard and risk analysis
- network of resources in the community
- program guidelines
- details of contracts for resource access.

Assessment Conditions

Assessors must satisfy current standards for RTOs.
