AHCLPW602 Coordinate the preparation of a regional resource management plan

Release: 1

AHCLPW602 Coordinate the preparation of a regional resource management plan

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 6.0.

Application

This unit of competency describes the skills and knowledge required to engage stakeholders and operate at a strategic level to coordinate the development of regional natural resource management plans.

The unit applies to individuals who work at a strategic level within the conservation and land management industry, working with specialists in regional planning. They analyse information and exercise judgement to complete a range of advanced skilled activities demonstrating a deep knowledge of resource management. They have accountability for the work of others and analyse, design and communicate solutions to a range of complex problems.

No licensing, legislative or certification requirements are apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Lands, Parks and Wildlife (LPW)

Elements and Performance Criteria

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Review existing information	1.1 Access and review scoping documents and plans to determine starting point for planning process 1.2 Identify sources of additional information required for input

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
	<p>1.3 Examine previous natural resource management issues to determine current and future impact</p> <p>1.4 Identify scope and potential solutions from documentation for use in planning process</p>
2. Form groups to support process	<p>2.1 Contact key stakeholders to elicit views on consultative structures and processes</p> <p>2.2 Develop consultative structure allowing for diversity, and promote engagement</p> <p>2.3 Organise working groups to elicit stakeholder views and assistance</p>
3. Plan and conduct consultations	<p>3.1 Develop process to ensure stakeholder input</p> <p>3.3 Organise consultation</p> <p>3.2 Record formal consultations for reporting</p>
4. Coordinate the collection of data	<p>4.1 Coordinate data collection and surveys</p> <p>4.2 Develop rules and relationships between various data sets for database structure</p> <p>4.3 Engage data processing specialists to generate report formats</p> <p>4.4 Record data in database</p> <p>4.5 Manage data collection and recording within budgetary constraints</p>
5. Coordinate the development of goals and strategies	<p>5.1 Engage technical advisers to coordinate development of goals and strategies</p> <p>5.2 Obtain technical advice on issues at regional and local levels for integration into goals and strategies</p> <p>5.3 Provide advice to stakeholders to assist in development of goals and strategies</p> <p>5.4 Facilitate groups to provide suggestion for goals and strategies and their formulation at a regional level</p> <p>5.5 Review original scope and basis for planning process at major developmental stages</p>
6. Coordinate the preparation of a draft plan	<p>6.1 Coordinate preparation of draft plan using technical and stakeholder input</p> <p>6.2 Coordinate personnel to structure the draft plan</p> <p>6.3 Ensure draft plan is structured according to workplace</p>

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
	requirements 6.4 Review plan against legislative requirements and government and regional policies and processes 6.5 Submit draft plan for editing, review and approval before stakeholder feedback
7. Coordinate the revision of the plan to reflect consultations	7.1 Revise draft plan to reflect stakeholder feedback 7.2 Engage technical advisers to develop responses to feedback 7.3 Submit revised plan for editing and review 7.4 Submit revised plan to regional planning groups
8. Submit plan for approval	8.1 Submit final plan for approval and publication 8.2 Evaluate planning process and outcomes for future improvements
