Application

This unit of competency describes the skills and knowledge required to identify and investigate non-compliances with pest legislation and act on non-compliance issues.

Pests may be weeds, vertebrate or invertebrate pests or a combination of all three.

This unit applies to individuals who take responsibility for their own work. They provide and communicate solutions to a range of predictable and sometimes unpredictable problems.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil.

Unit Sector

Pest Management (PMG)

Elements and Performance Criteria

Element	Performance criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Identify non-compliance with legislation	1.1 Identify non-compliance through complaint or other means, and record 1.2 Notify senior staff of non-compliance
2. Investigate non-compliance	2.1 Determine land ownership or identity of stakeholder and confirm responsibilities of all parties 2.2 Obtain further information on possible non-compliance with legislation 2.3 Contact stakeholder to notify them of breach and provide advice
