**CPPACC4008 Conduct transport
conveyance and boarding device access
audits**

Release: 1

CPPACC4008 Conduct transport conveyance and boarding device access audits

Modification History

Release 1 This unit first released with CPP Property Services Training Package Release 14.0.

Supersedes and is equivalent to CPPACC4008A Conduct a transport conveyance and boarding device access audit. Minor change to unit title.

Unit updated to meet the Standards for Training Packages 2012.

Application

This unit of competency specifies the skills and knowledge required to inspect transport conveyances and boarding devices against the requirements of relevant legislation and standards to ensure accessibility for people with disability. Transport conveyances are those used to provide a public transport service, such as aircraft, buses, taxis, ferries, trains and trams/light rail. The unit includes assessing fitout and continuous accessible paths of travel and preparing an access audit report.

This unit is for individuals who work independently using specialised knowledge to conduct a range of access consulting services.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil.

Unit Sector

Access Consulting.

Elements and Performance Criteria

Elements describe the essential outcomes.

Performance criteria describe what needs to be done to demonstrate achievement of the element.

1 Respond to client enquiry.

1.1 Identify client requesting transport conveyance and boarding device access audit and establish their authority to act according to workplace requirements.
