Assessment Requirements for CUAAIR311 Present programs on-air

Release: 1

Assessment Requirements for CUAAIR311 Present programs on-air

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- present at least two on-air programs.

In the course of the above, the candidate must:

- operate a basic studio panel
- present information live-to-air in a conversational and natural manner
- mix and maintain audio levels at a consistent level throughout a program
- manage operational problems with equipment that occur prior to and during live-to-air program
- archive and document program materials according to station procedures.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- presentation materials that might be required for on-air sessions
- functions and operation of equipment used in a studio
- strategies to evaluate performance to improve techniques
- strategies for mitigating common challenges of presenting programs live-to-air
- presentation styles used in broadcasting information
- the basics of mixing audio inputs to achieve required sound
- vocal warm-up techniques
- enterprise processes for archiving and documenting material
- industry standard broadcasting standards and codes of practice
- radio conventions in relation to presentation styles and how they differ by station
- work health and safety requirements relating to the operations of a broadcast studio.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- a presenting studio environment
- presentation materials required for on-air sessions.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
